Special thanks to Purina Feed and their dealer R.B. Brandt and Son in Owensville, Mo., for helping provide the sale day lunch as well as providing the quality performance rations used by Ridder Farms.

TRUCKING & DELIVERY:

Please contact the Ridders or sale consignors to assist you with trucking arrangements.

HEALTH:

All cattle will be accompanied by proper interstate health certificates. Veterinary services provided by Dr. Hunt Tainter, Franklin County Animal Medical Center, Washington, MO.

CREDIT CARDS:

We will accept credit cards as a form of payment this year with a 2.75% service charge. Accepting Mastercard, Visa or American Express.

MOTELS:

Within 20 miles of Ridder Farms are several options for lodging:
Stone Hearth Inn (573) 897-9903
Near Linn, Missouri (west of Ridder Farms on Hwy. 50)

Bed & Breakfast Lodging

Several bed & breakfast locations are north of Ridder Farms on Hwy. 19 in the Hermann, Missouri area.

PHOTOGRAPHY OF SALE CATTLE:

A special thanks to J. Bradley Hook Photography!

RETAINING RIGHT TO FLUSH:

Ridder Farms will retain the right to one successful flush on any Ridder owned female. The flush will be at Ridders' expense and at the buyer's convenience in the future. As they are selling the entirety of the fall calving herd, Ridder Farms would like to retain this right as a way to rebuild on those genetics.

TRACE AND TRIGG

RIDDER FARMS PROUDLY SUPPORTS:

Ridder Farms is a VitaFerm Dealer,
contact us for all your VitaFerm needs.

On behalf of our entire family, including Dustin Schulte our herdsman, we want to thank you for your continued interest in our program. We appreciate our many customers who have continued to purchase cattle from us since our first female sale in 2010. If you are a new customer we ask that you analyze the pedigrees and performance of our offering. Our number one selection criteria in building this herd has always been on visual appraisal and how we could build cattle that were structurally correct, eye appealing and that would perform in any environment. We have always been very mindful not to get caught up in chasing any certain trait too far so that we don't give up too much in another trait because of that. We believe that our cattle work in many sectors of the business and have always tried to use breed leading Charolais genetics to push our program forward. While the show ring is not the goal of our program, we take great pride in the acceptance that both our bulls and females have had at National Shows. We are even more pleased with the acceptance that you our customers have shown by purchasing our genetics for your herd.

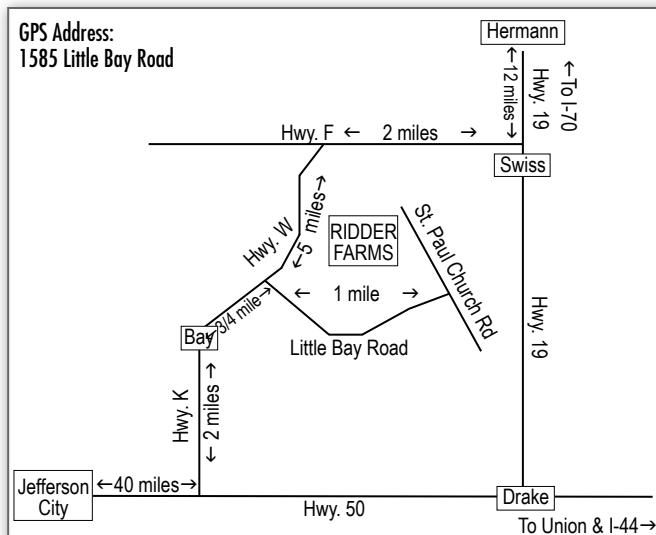

This year we have included the dispersion of our fall calving herd of Charolais females. That decision has not been made easily, due to the tremendous cows in that set, but with so much on all of our plates we have come to this decision to try and free up a little more time to spend with family as well as making it easier to run our spring herd. We will still have our fall recip cows to continue to provide for our customers. Outside of some partnership cattle, nothing is being held back from the purebred fall herd. The offering includes donor cows, bred cows, fall pairs and fall open heifers. Also included is an elite set of spring calving bred heifers as well as the opportunity to own 2/3 interest and full possession in our calving ease herd sire RF Ledger 439.

We invite you to join us and our guest consignors at our farm south of Hermann, MO on November 2nd. Enjoy a complimentary lunch, refreshments and good Charolais fellowship starting at 11 am. The sale starts at 1 pm. For those that cannot attend the sale it will be broadcast live and online bidding will be available on www.CCI.live.

If you would like to view the sale offering before the sale or we can assist you in any way, please don't hesitate to give us a call.

Sincerely,

The Dale Ridder Family

- Dam of fall calving cows Lots 2 and 3, fall calving first-calf heifer Lot 4 and herd sire Lot 87.
- You don't have to look very long in this catalog to find that the Nancy 7711 donor has had a big impact on our herd. 7711 is a full sister to a past Show Female of the Year that then went on to be the Show Dam of the Year a few years later. This would be one of the youngest of this line left.
- The Nancy lineage has made a huge impact across quite a few major programs in the country. 7711 is the granddam to the 48th Reserve National Champion Female in which a 1/2 interest was sold last year for \$20,000.
- In the last few years, we have sold bred heifers for \$4,250, \$4,000, \$4,500, \$7,300 and an open for \$7,750! All by different sires – it doesn't matter – these genetics just make money and unbelievable cows.
- She has 35 progeny registered to her.
- Owned with Sayre Cattle Service

• These heifers are by Strong Side, the 2017 Junior National Champion Bull, out of our matriarch donor Greta 576 owned with Connell-Henley Farms and Wild Indian Acres.

• Greta 576 has a unique pedigree and blends together just about everything you could want in a Charolais female. She has raised a number of champions that go on to get it done in the pasture. A Resource daughter out of a Greta 576 daughter was the 2018 National Calf Champion.

Yearling Picture

- Selling 2/3 Interest and Full Possession.
- In 2015, we were looking for another herd sire that we could use on heifers. We searched, drove a lot of miles and came to the conclusion that we couldn't find an option that was better than the total package we had in our yearling bull pen.
- We turned him out that spring on our heifers and haven't looked back. He has done a tremendous job! Not only is he heifer safe, but he also puts a ton of quality in his calves and has made us some really high quality females. Just take a look at his calves in this sale.
- The maternal value is unquestioned in what the Nancy female coupled with Ledger will bring to your herd.
- Top 5% CE and 5% BW.
