Special thanks to Purina Feed and their dealer R.B. Brandt and Son in Owensville, Mo., for helping provide the sale day lunch as well as providing the quality performance rations used by Ridder Farms.

TRUCKING & DELIVERY:

Please contact the Ridders or sale consignors to assist you with trucking arrangements.

HEALTH:

All cattle will be accompanied by proper interstate health certificates. Veterinary services provided by Dr. Hunt Tainter, Franklin County Animal Medical Center, Washington, Mo.

CREDIT CARDS:

We will accept credit cards as a form of payment this year with a 2.75% service charge. Accepting Mastercard, Visa or American Express.

MOTELS:

Within 20 miles of Ridder Farms are several options for lodging:
Stone Hearth Inn (573) 897-9903
Near Linn, Missouri (west of Ridder Farms on Hwy. 50)

Bed & Breakfast Lodging
Several bed & breakfast locations are north of Ridder Farms
on Hwy. 19 in the Hermann, Missouri area.

PHOTOGRAPHY OF SALE CATTLE:

A special thanks to Shannon Cook Photography for her picture work!

RETAINING RIGHT TO FLUSH:

Ridder Farms will retain the right to one successful flush on any Ridder bred heifer. The flush will be at Ridders' expense and at the buyer's convenience in the future. As they are selling the heart of both natural and ET bred heifers, Derek would like to retain this right as a way to rebuild on those genetics.

RIDDER FARMS PROUDLY SUPPORTS:

Ridder Farms is a VitaFerm Dealer,
contact us for all your VitaFerm needs.

On behalf of our entire family, including Dustin Schulte our herdsman, we want to thank you for your continued interest in our program. We appreciate our many customers who have continued to purchase cattle from us since our first female sale in 2010. If you are a new customer, we ask that you analyze the pedigrees and performance of our offering. Our number one selection criteria in building this herd has always been visual appraisal and how we can build cattle that are structurally correct, eye appealing and perform in any environment. We have always been very mindful not to get caught up in chasing any certain trait too far, so that we don't give up too much in another trait. We believe that our cattle work in many sectors of the business and have always tried to use breed leading Charolais genetics to push our program forward. While the show ring is not the goal of our program, we take great pride in the acceptance that both our bulls and females have had at National Shows. We are even more pleased with the acceptance that you, our customers, have shown by purchasing our genetics for your herd.

This year we are dispersing our five to eight year old mature cows. Nothing is being held back. The offering includes donor cows, bred cows, cow-calf splits and fall pairs. Also included is an elite set of spring calving bred heifers as well as the opportunity to own half interest and full possession in our 48th National Reserve Champion Bull, RF Bocephus 5027. With the large number of calves from his sire and dam in our herd, we felt it was best for him to be heavily used elsewhere while we continue to A.I. to him.

We invite you to join us and our guest consignors at our farm south of Hermann, MO on November 3rd. Enjoy a complimentary lunch, refreshments and good Charolais fellowship starting at 11 am. The sale starts at 1 pm. For those that cannot attend the sale, it will be broadcast live and online bidding will be available on www.CCI.live.

If you would like to view the sale offering before the sale or we can assist you in any way, please don't hesitate to give us a call.

Sincerely,

The Dale Ridder Family

• A truly unique opportunity here to own a champion. RF Bocephus 5027 was the 48th National Reserve Champion Bull as well as the 2016 American Royal Champion. As the judge in Kansas City stated, "He is truly unique in the fact that he has so much muscle, power and bone in such an appealing and fresh package and yet still be so sound on the move." Bocephus is sired by the 46th National Champion Bull MCF Bohannon 305A and out of our long-standing donor from the M&M Charolais program, M&M Ms Stealth 7515 Pld ET, who continues to raise sale toppers for Ridder Farms year after year. This pedigree is blended with some of the best genetics our breed has to offer from Cigar, Wyoming Wind, Stealth, the Canadian Champion Freedom and a splash of the renowned Hoodoo genetics. Bocephus has continued to impress us as a sire. His calves have exhibited the performance you want and the look you like. We are only offering this opportunity because of the heavy influence of both his sire and dam in our herd. We plan to continue to use him in our AI and ET programs.
