LETTER FROM RIDDER FARMS:

Charolais Friends,

Last year we made the hard decision to restructure our Charolais operation. So after nearly 25 years of developing our herd around a moderate framed, deep bodied, good looking performance based cow, we embarked on a two year plan for dispersal of our walking cow herd. Now with two years of drought conditions and loss of some leased pasture, we are completing that restructuring. This sale is Volume II of our Dispersal.

As you look through this catalog the themes of "cow family" and "maternal power" will become evident as it represents years of planned matings culminating in an incredible set of females. The bred heifer offering is exceptional and the oldest female in the sale is not quite 7 years of age by sale day. These females were to be the foundation of our operation going forward and are the ones we didn't want to let go.

We have found success in producing a maternal line that excels in both the show ring and pasture. Moving forward we want to remain true to that tradition by focusing on our embryo transfer program and continuing to produce the best females. We are not out of the Charolais business. However, this reorganization allows you the opportunity to take advantage of our years of dedication and buy into a herd of young, highly maternal females. We hope you will be pleased with our sale offering and that you can join us either in person or online sale day.

With our sincere thanks,
The Ridder Family

What a way to lead off this historic event! Full Strut has been admired by cattlemen coast to coast and that was before he was the slapped Champion Charolais Bull at the 2023 Cattlemen's Congress. You would be hard pressed to find a bull with more mass, belly, bone and front pasture look. Full Strut has all the eye appeal to sire banner chasing females and with his impressive pedigree of Redemption and the famous Donor Duchess 631, he will sire breed changing replacements too. This young sire is just getting started and was slated to be an integral part of the Ridder operation going forward, but as with the rest of the great offering in this book their loss is your gain. Semen distributed by Cattle Visions. Top 3% Milk, 6% Mtl, 20% CW and REA.
