THE SHOWGIRLS SALE

DECEMBER 13, 2014

**SATURDAY AT 2 P.M. AT RIDDER FARMS
NEAR HERMANN, MISSOURI**

SALE HOST:

The Dale Ridder Family
2289 Brown Shanty Road
Hermann, MO 65041
Home: 573-943-6462
Dale: 573-680-4691
Derek: 573-680-4692
ridder-farms@hotmail.com

SALE DAY TELEPHONES:

Greg Hubert 785-672-7449
David Hobbs 913-515-1215
Or contact any of the sale consignors. (Telephone numbers listed with Lots.)

SALE MANAGER:

Greg Hubert
PO Box 37
Oakley, KS 67748
785-672-3195 (office)
785-672-7449 (cellular)
grehubert@st-tel.net

AUCTIONEER:

Eddie Burks 270-678-4154 (cellular)

CHAROLAIS JOURNAL REPRESENTATIVE:

David Hobbs 913-515-1215 (cellular)

SALE CONSULTANT:

John Bauman 307-630-0336
Brett Sayre 573-881-1876

LUNCH:

A complimentary lunch will be served at noon on sale day.
Special thanks to Purina Feeds and their dealer R.B. Brandt and Son in Owensville, Mo., for helping provide the sale day lunch as well as providing the quality performance rations used by Ridder Farms.

TRUCKING & DELIVERY:

Please contact the Ridders, the sale consignors or the sale manager to assist you with trucking arrangements.

HEALTH:

All cattle will be accompanied by proper interstate health certificates. Veterinary services provided by Dr. Hunt Tainter, Franklin County Animal Medical Center, Washington, Mo.

CREDIT CARDS:

We will accept credit cards as a form of payment this year with a 2.75% service charge. Accepting Mastercard, Visa or American Express.

MOTELS:

Within 20 miles of Ridder Farms are several options for lodging:

Settle Inn
573-897-9903

Near Linn, Missouri (west of Ridder Farms on Hwy. 50)

Bed & Breakfast Lodging

Several bed & breakfast locations are north of Ridder Farms on Hwy. 19 in the Hermann, Missouri area.

VIDEO & PHOTOGRAPHY OF SALE CATTLE:

Please visit one of the following websites to view current video and photos of the sale cattle.
www.RidderFarms.com and www.utopiagenetics.com

Special Thanks to Kassi Glassman for her picture and video work!

RETAINING RIGHT TO FLUSH:

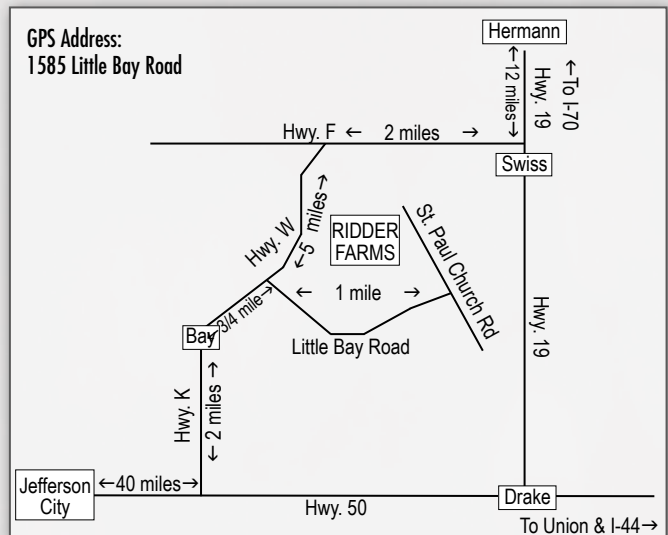

Ridder Farms will retain the right to one successful flush on any Ridder open or bred heifer. The flush will be at Ridders' expense and at the buyer's convenience in the future. As they are selling the heart of both natural and ET heifers, Derek would like to retain this right as a way to rebuild on those genetics.

Charolais enthusiasts pay close attention to this lot! Donors like this one don't come up for sale every day. This cow has been a favorite around here since the day she got to the farm as a young heifer. We had a great deal of fun showing her and we have had even more fun watching her develop into an outstanding cow. Phenotypically one couldn't build a female much better than her when looking at her profile combined with her power. She is sired by the Reserve National Champion DR Stealth and out of a daughter of the great Duchess 433 donor that M&M Charolais has had a lot of success with. Her performance numbers put her in the top 15% for WW and the top 25% for YW and she is in the top 1% for SC. 7515 raised our top selling open heifer in the 2013 Showgirls Sale selling to Mark Moriondo in Missouri after she had just been reserve division at the Royal. She also raised one of the top bred heifers in the sale going to JVS Charolais and Bar J Charolais at \$7,000. The Dybdal family in Nebraska purchased a daughter a couple of years ago that went on to be named the National Reserve Junior Calf Champion at Ft. Worth. Four daughters (out of four different sires) in the past two Showgirls Sales have averaged \$6,440. We have retained several bulls out of 7515 that are outstanding and run on our commercial recip herd. In our mind 7515 is one of those rare cows that checks off the Four P's- Pedigree, Phenotype, Performance and Production so don't get caught sitting on your hands on this donor and join us as our new partner or double up your money and own her yourself! (Selling 50% embryo interest or the option to double and take the whole cow. If that happens we are retaining a flush) Averages just over 10 freezable embryos per flush and in IVF she has made 51 oocytes which made 32 viable embryos for an average of 16 embryos per IVF aspiration.

An exciting opportunity to get in on one of the first Bohannon calves to hit the ground. MCF Bohannon gathered a lot of interest when he was on display in the Yards in Denver this year. We are giddy with anticipation of how good these Bohannons could be. Just sit back and imagine the kind of heifer you will get out of him and 7515!

Miranda has been a favorite of several visitors to the farm this summer and as well she should be! This is the first daughter we have had out of our herd sire LT Ledger "Investment" 2292 as we call him. Investment was our pick of the Ledger sons at Lindskov-Thiel's bull sale in 2013 and we couldn't be any more excited if they are going to look like this female. We bought Investment to use on our X-Factor daughters and he hit a home run with this first calf heifer. Miranda is long and extended through her body and ties that in with great neck shape and extension. Project this heifer out and imagine what she could look like as a bred. She is entered in the National Show in Kansas City.

Southern Spice is an extremely intriguing female. She has the look that captures your attention and gets you excited about winning shows but more importantly she just screams cow potential. 402 possesses a pedigree stacked full of breed leading sires that any cattleman would appreciate (Ledger, X-Factor, Wyoming Wind, 914 and Cigar) and EPD's to go with it. Southern spice is soft sided, good fronted and one has to appreciate the way she is put together from the ground up in terms of her leg shape and the way she ties it into her quarter. She is also entered in the National Show in Kansas City.

This heifer by Firemaker should grab some attention on sale day. A full sister sold last year for \$4,200 to Jim Sheetz. 529B is a maternal sister to Mead-RF X-Factor G584 P, the 2009-10 Show Bull of the Year. Her dam OW Ashlee 0063 P ET was the 2009-10 Show Dam of the Year. Firemaker the half sib to Firewater and sired by Grid Maker has really been making some nice brood cows. This female is attractive and complete in her makeup and super feminine and after her show days she will go into the donor pen with the look and pedigree she has.

Mead-RF X-Factor G584 P - Grandsire of Lots 3 & 4 and sire of Lots 6 & 7.

We sure like how X-Factor is working on these Firewater daughters and this is evident by Ms Bud 351 and our National Sale consignment bull. This is the only fall heifer we have in the offering and we think she is a pretty good one. This November heifer is long and angular in her design while having excellent hip shape. She is a granddaughter of ACE Ms Bud 2419 the great donor for Polzin Cattle who is the dam to numerous champions and who's dam is the full sister to Budsmydad. Half interest in 2419 just recently sold for \$11,500. She is entered in National Show in Kansas City.

Be sure to study this long fronted eye appealing daughter of X-Factor. Year in and year out these X-Factors continue to impress us. All but a couple of our open heifers that are in the sale are either out of him, out of one of his daughters or out of his dam. That is just a testament to what he brings to our herd. Ms Xtasy might be the longest fronted X-Factor daughter that we have ever sold. Her dam was purchased out of Satterfield's sale and we all know the kind of females that they have been producing and this Pro-Line daughter is a good one backed by great genetics. Entered in Kansas City

Here is a stout made attractive female out of the Canadian sire Sanchez. Kyle Conley recognized the cow power in this Nancy family when he purchased her half-sister as a bred in last year's sale for \$7300 and he has told me he couldn't be happier with the cow she has made. There is definitely power in the blood of this female with her dam being a National class winner and her grand dam being a flush mate full sister to a Show Female of the Year and later she was named the Show Dam of the Year. Buy with confidence in this genetic lineage. Maternal sib to Lot 34 bred heifer.

Sired by the National Champion that produced 5 more National Champion and many Jr. National Champion too, this Fire Water April heifer will get her share of looks sale day. She is a full sister to the Dillon Elder Junior National Grand Champion Female in 2011. She puts all the same traits together; rib-shape, correctness, eye-appeal and doesn't disappoint when you get behind her.

This is a really strong topped, big boned heifer with a choke front. She will be a valuable asset for many years, no matter how you breed her. Her sire has been leading the way at J & S Ranch and for Teanna Simpson for years. He goes back to Teanna's Junior National Grand Champion Megan Elko and her great daughter Fergie. Breeding information will be announced sale day.

A cool patterned, big-ribbed, quiet disposition heifer that has awesome hair that is a sweet package that could be a perfect heifer for a beginning junior member. A maternal sister was an AUCA Junior National class winner for Megan Fink and then went on to be a donor for her. A maternal brother was a National Division winner then became a herd sire for Reinhart Charolais and another brother went to South America. The J & S Ranch has flushed her dam, there is lots of potential here.

Here she is the last heifer from the Rapid Fire flush to SCR Ms Turbo 7003! Her six sisters created a stir last fall when they were sold through the Ridder Farms Showgirls Sale, the Wright Charolais Female Sale and the Ten Grand Heifer Sale in Kansas City for an average of \$5,750! If you missed out on one of those females don't get left standing on this one. She is just super complete in terms of her balance and eye appeal and body shape. We can't produce these 7003 calves fast enough for my liking. Ty Dybdal had Reserve Champion FFA Charolais Female at the Nebraska State Fair with the one he bought out of here last year. JVS bought that one at the Ten Grand sale that was Junior Calf Champion at the American Royal. Another one of these sisters was a Junior National Class Winner.

Breeding information will be announced sale day.
She is an own daughter of Cigar from the Andre herd with this one having D040 on the bottom side. She weaned off a big ole stout bull calf this fall. The Strnad Family purchased an open heifer calf from this cow in the 2012 Showgirls Sale for \$3,800. We sold a really nice bull calf in Oklahoma last year off of her.

Sells bred AI on 5-15-14 to TR Mr Diablo 2742 ET.

Proven performance, this Smokester x Wyoming Wind cow has been a pasture favorite on the Davis Farm. Derek Ridder picked this cow/calf combo for the sale, but Allen couldn't let the calf go, because he has retained three daughters in the herd and loves them all. She has a tremendous udder and is a feminine cow that will produce with the best of them.

Due to calve on 3-13-15 to MCF Bohannon 305A (Ultrasound Heifer calf)

A beautiful profiling cow that we showed and was a Reserve Division winner at the 2009 Fort Worth National. She goes back to one of our first donor cows in JM Impressions 9139. We sold an outstanding bull calf out of her a couple years ago to Texas and the Bonacker Family bought one of her daughters in this sale last year. And who knows how good the Bohannon heifer calf inside her could be.

An own daughter of Cigar that is deep-bodied and stout like you would expect. Debruycker bred top and bottom. When we purchased cows from Josh Andre a few years ago we got a lot of good cows like this one. We have retained many daughters as well as have shown some too. This cow was out with the other falls and unavailable at picture time but that doesn't mean she shouldn't have been pictured. Check out this herd sire prospect at her side.

RF
Greta 96Z

Selling a Guaranteed Flush in Creek Cut Greta 576P ET!

Here is an opportunity to flush a female that we know is pretty special. Greta sold in the 2011 Showgirls as the top selling donor to Jim Kinney. She raised the top selling female, RF Greta 96Z, in the 2012

Showgirls Sale selling to C&H Farms for \$10,000. That daughter then went on to be the 2013 National Junior Calf Champion Female and then was Grand Champion Female at the 2013 Missouri State Fair. Every time she was shown, she either won her division or the entire show. Her dam RLL Goin' Places was a \$14,000 National Sale top seller and the 2005 National Reserve Grand Champion Female. RF Greta 97Z a full sib to the C&H champion heifer raised as a first calf heifer our National Sale Bull RF Excel 427! We recently went back to Mr. Kinney to reacquire Greta 576, put her potent genetics back to work for us and then decided to offer this flush. This is a great cow backed by a tremendous pedigree. Invest in these genetics and you won't be disappointed. This flush is offered with a guarantee of at least 7 frozen embryos to be produced.

Presented by Ridder Farms, Wild Indian Acres and C&H Farms

RF Excel 427

Replacement Heifers

This is a young set of April 2014 heifer calves that will be offered in sets of 2 or 3 head for someone wanting to build a set of uniform replacements for their herd. We will offer choice from each group, but the winning bidder may tie them all together. All the pedigrees are top end genetics backed by proven cow families.

Lots 50 through 55 are Presented by Wild Indian Acres, Mike Kisner, House Springs, Mo. 636-236-0306

Selling a Guaranteed Successful Flush in WCR Ms Paul 448 P!
Yes, this is the Lot 2 cow from the Wienk Mature Cow Herd Dispersal in September. She was one of the high-selling lots when she brought \$14,000. Second chances do exist! Here is your opportunity to get a piece of the action. Don't sit on your hands again. This powerhouse has the look to make cattlemen from any breed drool. She is open ready to flush immediately following the sale.
